## To the Cat House on the Kings 25th Anniversary Spring Open House!

*Saturday, May 6th, 2017. 10 am – 2 pm*

### Admission Donation:

Cash (which really stretches as we are able to buy in bulk), hand sanitizer, dish soap, apple cider vinegar, bleach, pine cleaner, paper towels, home improvement gift cards, dry/canned cat food.

### Donations and Volunteers Needed!

In just two short months we will be having our Spring Open House on Saturday, May 6th. It is now time to rack our brains, hit up family, friends and co-workers and try to come up with something unique for the silent auction that will be on everyone's "have to have it" list. Some of the popular items from past auctions have included sports memorabilia, designer purses, throw pillows, wine, yard art, jewelry, plants and of course, anything cat related. That is just a mere fraction of the possibilities for the silent auction. Of course, you can never go wrong with gift cards/certificates. And don't forget those donations are tax-deductible!

We also really need volunteers to help set up, clean up, assist with parking, etc. If you have donation questions or you would like to sign up to volunteer please contact Tammy Barker at [tammy@cathouseontheKings.com](mailto:tammy@cathouseontheKings.com)

## 16 CATS Abandoned at the Cat House on the Kings

The Cat House on the Kings staff members came to work before dawn on Thursday, February 9 and found 14 matching pink plastic tubs placed on the driveway just outside the range of our surveillance cameras. One

staff member arrived at 4am and there were no tubs, but by 5am when the rest of the staff arrived there they were! Fortunately, because the plastic

tubs were secured with zip ties (and had carefully-made air holes in each plastic tub), the kitties were all scared and a bit shell-shocked, but dry and safe. The first order of business was to get them all transported to the Kitten Quarters, so they could be released from their tubs, assessed, evaluated, vaccinated, and treated for fleas and worms. Each tub also contained a fleece blanket. Abandoning animals is a crime in California, but that isn't much of a deterrent to desperate people.

The 14 plastic tubs contained 16 cats (3 male, 11 female) of which 14 were adults, ranging in age from six months to three years, and one female was accompanied by her two newborn kittens. None of the cats

had been spayed/neutered or microchipped. In fact, three of the females were pregnant! Other than being scared, they all appeared to be in good condition and hadn't been neglected or ill-treated. Several of the cats are polydactyls (extra toes), which suggests that some in-breeding had been going on. Although we have no way of knowing who dropped them off or why, our biggest disappointment is that they didn't contact us sooner for low-cost spay/neuter assistance. While you might be thinking "Thank goodness they abandoned them at The Cat House on the Kings rather than harming them," the sad reality is that we constantly struggle with the challenge of dealing with and paying for middle-of-the-night pet abandonment. Not only is it extra work for our staff, it also means a sudden spike in our expenses for which we haven't planned and budgeted, and it means that we often find ourselves with no room when responsible people contact us to help them find homes for the kittens who just showed up in their garage or under their deck.

Your faithful and generous donations help us care for animals who have been abandoned on our doorstep. Your donations help us say yes to kittens like Holly, who was shot in the head with a pellet, and kittens like Trinket who came to us with a badly-mangled leg which required amputation. And adorable tuxedo kittens like Humphrey who is facing surgery to fix his clavicle (caused by an injury when he was younger.) Finally, and most importantly, your generosity enables us to continue our work on educating the public about the importance of spaying and neutering and helps fund our low-cost spay/neuter program. These cats may have been abandoned by whoever was caring for them, but they will NOT be abandoned by us. Can you help us out today with a much-needed donation?

## Poker for Paws Is A Winner!

The Cat House on the Kings first ever Poker for Paws Poker Tournament had a wonderful turnout with 34 players and a couple of dozen spectators coming out to raise funds for The Cat House on the Kings. The evening was not only a celebration of The Cat House's 25 years of service to the community, but was also to celebrate Lynea's birthday on February 19th.

The first place winner received a golfing package for 4 donated by Fort Washington Golf & Country Club valued at \$500. Second place winner took home a Savor Shaver package that includes an overnight stay at the Shaver Lake Village Hotel and Cabins and dinner at the Shaver Lake Pub 'N Grub worth over \$200. There was a wonderful buffet for the players and guests as well as many raffle prizes. One lucky couple won an amazing cat tree built and donated by Mike

Quinonez. One of Mike's custom cat trees will also be raffled off at our spring open house fundraiser.

A huge thank you goes out to Kyle, Sue and Nori from Club One for making this a winning fundraiser! Club One will be producing a video of the evening that we will of course, share with you when it is available.

# Morti the Torti

On a recent frigid winter afternoon, The Cat House on the Kings received a call from a student at the local high school. She had discovered a tiny kitten lying motionless outside in the cold. At first, she thought the kitten was dead, but when she scooped her up, she wiggled and meowed. The student looked around and saw no signs of a mom cat or other kittens. When the kitten arrived at The Cat House on the Kings, she was cold, shivering, possibly anemic and too weak to even eat. But Lynea Lattanzio, founder and executive director of The Cat House on the Kings, was determined to fight for this little ball of fluff's life.

Lynea spent much of the evening with the kitten on a heating pad, keeping her warm and gently coaxing formula into her. By morning, little Morti, (short for Morticia ~ because we think Morti the Torti is a cute name) was starting to perk up and respond. She was more alert and moving around. Morti is approximately 8 weeks old. "She has an amazing "tortitude" said Kitten Quarters Supervisor Karla Cortez. "She's as feisty and fun as she is furry and fuzzy. You can tell she's going to grow up to have a great torti personality." (As we go to press, an adopter has already been approved for Morti!)

Even though kitten season hasn't started yet for much of the country, kitten season is already starting in Central California where The Cat House on the Kings is located. "We've already taken in bottle babies as well as nursing moms with kittens," said

Harvie Schreiber who coordinates fundraising for the rescue. "With kittens, comes a need for donations to provide vet care, food/formula, and to run our rescue operation." <http://www.cathouseonthekings.com/contribute.php> (Checks can be mailed to CHOTK, 7120 S.
